### FORMS

Last Sunday we heard from Pastor Ohwann, this week will be Pastor Chelsea!  
Printed in the bulletin was a "go deeper "section  
Here is what you can do at home!

#### **Go deeper with the message - Start world-changing conversations right at home!**

Q1 - What do you think being a world changer means? ..... what small acts of kindness and tangible ways can you implement?

Q2 - Do you think God puts us in certain places for specific reasons? God uses small moments and places for His glory!

Q3 - How do you think you (and/or your kids) can "give your life away"? In what ways do you think God can use you to further his kingdom!?

Q4 - Do you have any advice for others who are tempted to let the world change them? The world's idea of the easier way out isn't always in our best interest. Let a God who loves you guides your life and not the world.

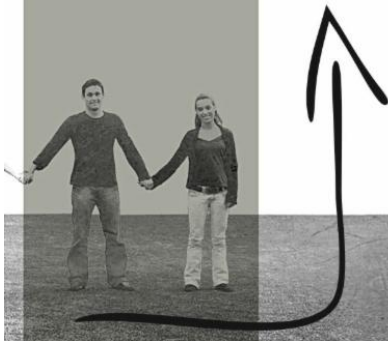

#### **Put into Practice**

-play the "what do we have extra?" game. Read Luke 12:13-21 together.

-Pick a project. Have a family fundraiser (bake sale, garage sale, hot chocolate stand) and raise money to give away.

# "RAISING A GENERATION OF WORLD CHANGERS"

## **TEACHING GENEROSITY: BLESSINGS WE MUST SHARE**

### **UMCOR giving**

Our hearts are heavy with all the disasters here at home and abroad recently. To that end, we invite you to designate gifts to UMCOR (United Methodist Committee on Relief) nationally or internationally. *In addition, our United Methodist*

Men, with the packing help of Boy Scout troop 170, will be creating UMCOR cleaning kits in the VA Conference-wide campaign to help restock these important disaster relief buckets. They ask for your financial contributions to purchase the needed items that go in these buckets.

If you use SIMPLECHURCH giving, you'll see 3 different funds you can give to, you can also make a note on your check!

**Click on the picture to read more about the Cleaning Kit request.**

## The next one will be on Wed. October 5th

Join some friends or make new ones!

9:30 am in the lower level youth room! Hot coffee, conversation and relaxation!

Email Nursery (nursery@fumcva.org) if you need care.

## New Online Teaching Series: It Takes a Church to Raise a Parent

In conjunction with our new series "Raising a Generation of World changers", here is a course, especially if you are a church leader, you might be interested in. "There is one key belief we need to embrace if we are to position ourselves well to encourage and equip parents: there is no one right way of parenting for faith."
