

**Season of New Life  
Week 14 April 4 – 10**

Last year, I was way behind on removing the Christmas wreath from the front door. Truth be known, it was March before I attempted to take down the last of our Christmas décor!

As I removed the front door wreath, I discovered that inside the wreath, a bird had made a perfectly formed nest and resting inside were two beautiful eggs. Of course, I could not remove the wreath at that time, but I did find a story within.

How appropriate that during the Christmas season I hung the wreath as part of the celebration of the birth of our Savior, Jesus Christ. And now, three months later, I discovered a bird nest with two eggs resting inside. New life would be born within that wreath!

It was a reminder that Christmas is the season of new life with the birth of Jesus. And, that the Easter season is the time of Christ's Crucifixion and Resurrection. Because of Christ's Resurrection, those who accept Jesus as their Lord and Savior, now have New Life in Him.

All praise and glory to God for his precious gift!
