## The 2022 Pledge

It takes all of us being guided by God's Spirit and working together for "the common good" to carry out God's vision for us as a church, a people of God called "to make disciples of Jesus Christ." (see 1 Corinthians 12:7). This is the key to successful discipleship in Christian community. With God's help, our gifts/ strengths, finances, and energy blend together as the keys to fully open the kingdom of God advancing in the world for the present time. In this, each of us has unique contributions all creatively designed for the glory of our amazing God.

The leadership of Fredericksburg United Methodist Church appreciates your prayerful consideration of giving to support the church's mission for the coming ministry year in 2022, as well as for our plan to pay off our debt on Kobler Hall in the next few years. This year our theme is "All In," which lifts up the idea of fully deploying our gifts, passions and energies toward God's work for the common good in the challenging world circumstances of today. Pledging gives each of us a means to set and track Godly goals that help make real the church's mission of making disciples of Jesus.

The 2022 Pledge Cards are requested beginning the weekend of November 14<sup>th</sup>. You can return them to the Offering plate or mail them to the church office or respond online through the Simple Church app. Thank you for your generosity and for your commitment to Jesus Christ's work in and through our church!
